## C-MAPP Student Scholars
- Opportunity to develop mentoring relationships with Scholars
- Invitation to CS@Mines Events
- Student Award Ceremony in Spring
- CS@Mines Computing Innovation Fair (2x per yr)

## Hosting/Participating Opportunities
- Opportunity to host students for their Industry Exploration (IndEx) study
- Opportunity to participate in a speed networking event in Fall
- Opportunity to organize or host an event on campus (examples below)
  1. Opportunity to host a technical talk on some topic of interest to Mines computing students
  2. Opportunity to host a professional development session (e.g., resume critique or mock interview)
  3. Opportunity to organize a Coding Competition
  4. Opportunity for company representatives to volunteer at CS@Mines events

## Sponsoring Food/Drink for Students
- Opportunity to sponsor pizza for an ACM Student Meeting and be recognized for supporting ACM

## Specialized Promotion
- Partner logo displayed prominently (with associated membership level) on the C-MAPP website, C-MAPP flyers, C-MAPP wall display, and in the Fall/Spring Career Day Guide (8,000+ copies).
- Specialized promotion of campus and Career Center recruitment events by CS faculty

### Additional benefits upgraded partners will receive:
- Two complimentary dinner tables of eight at “A Byte to Eat” event in Fall ($1500 value)
- Two complimentary tickets to the Fall Homecoming Distinguished Lecture (prior speakers include Bill Nye, Mae C. Jemison, Adam Savage, and Neil deGrasse Tyson)
- Opportunity to be a guest speaker in a grad or undergrad class
- Opportunity to host a student panel/focus group to learn what CS@Mines students care about
- Opportunity to include promotional material at CS@Mines Computing Innovation Fair (2x/year)
- Opportunity to sponsor coffee and donuts for students during midterms and finals

### $1,000 Upgrade Opportunity

For 2020-21 partners who remain at their same or higher 2019-20 membership level.
