C-MAPP Program Descriptions

Hello, Partners!

Networking event for C-MAPP partners and CS@Mines faculty in Denver's River North (RiNo) district

5 reps for PHz, 4 for THz, 3 for GHz, 2 for MHz, 1 for KHz

A Byte to Eat

Purchase table (seats 8) for $600, 3 complimentary tables for PHz, 2 for THz, 1 for GHz

Send company reps to have dinner with CS@Mines students

Innovation Fair

Network with students as they showcase a project they completed in a CS class this semester.

Students from first year to graduate level participate!

Honor Your Scholars

Come celebrate 2023-24 scholars and company partners at our biggest event of the year!

10 reps for PHz, 6 reps for THz, 3 for GHz, 2 for MHz, 1 for KHz

Company-Specific Events

Several other C-MAPP events occur during the year, specific to a given company partnership level.

Other Branding Opportunities

Sponsor an ACM student meeting ($300)
Sponsor coffee/snacks during exams ($150)

Please contact kathleenmariekelly@mines.edu if you are interested.
