C-MAPP Program Descriptions

Hello, Partners!

Networking event for C-MAPP partners and CS@Mines faculty

5 reps for PHz, 4 for THz, 3 for GHz, 2 for MHz, 1 for KHz

A Byte to Eat

Purchase table (seats 8) for \$600, 3 complimentary tables for PHz, 2 for THz, 1 for GHz

Send company reps to have dinner with CS@Mines students

Innovation Fair

Network with students as they showcase a project they completed in a CS class this semester.

Students from first year to graduate level participate!

Honor Your Scholars

Come celebrate 2024-25 scholars and company partners at our biggest event of the year!

10 reps for PHz, 6 reps for THz, 3 for GHz, 2 for MHz, 1 for KHz

Industry Advisory Board

Select C-MAPP partners and faculty meet twice a year to provide input on the CS programs (graduate and undergraduate), courses (including online courses), and the C-MAPP program

Other Branding Opportunities

Sponsor an ACM student meeting (\$300)
Sponsor coffee/snacks during exams (\$150)
